

Welcome to the official AA National Records Database for Para-Athletics

Whilst we endeavour to monitor performances of known athletes through results, not all records will be identified.

It is the responsibility of the individual athlete/coach to inform their MA if a record has been broken, complete the records claim form and submit these via the AA Record Application Portal within 28 days of the record being broken.

Record claim forms are available to download on the Athletics Australia website or links below.

Records:

Records set at Athletics Australia National Open and Age events will be processed automatically.

Records set at WPA International Benchmark Events will be processed automatically.

Records set at others times will require claim forms including all details.

Records will be updated twice each calendar year. (January/February and again in June/July).

Following an amendment to the AA Implement Weights and National Age Grouping Structure the following two actions will occur;

1. The existing U16 & U18 Para Age Records will be frozen as at the 31/07/2020.

Frozen records are listed in red.

2. AA will begin accepting U15 & U17 Para Age Records.

U15 and U17 records have been recognised where a pre-existing U16 or U18 record has been determined as eligible based on the athletes D.O.B at the time the record was achieved.

Age Ruling:

Note: For all Athletics Australia (AA) events and records underage eligibility is determined by the athlete's age at the completion of the calendar year in which the event is occurring.

Eg: For an athlete to compete or claim an Under 17 record in 2020 they must not be turning 17 during the 2020 calendar year.

Classification Ruling:

Athletes with a National/International Classification Review status (of the same year or earlier) for which the record is achieved are ineligible to claim records.

An exception is made for T/F20 athletes who are allocated in international review status following confirmed national classification. T/F20 International Review athletes may claim records.

Explanation of Records:

Aust Allcomers

Records set by any classified athlete at a recognised competition within Australia.

Australian

Records set by Australian athletes anywhere in the World, meeting all recognised criteria.

Underage

Records must meet specific criteria, including classification requirements and correct implement weights. Wind readings must be provided where applicable for sprints and jumps. Records set on grass at Little Athletics Meets will not be accepted.
